

Corps Act Section 110K Shareholder Communication Options

Dear Shareholders,

Receiving your shareholder communications electronically is the best way to stay informed and will assist FPC with minimising paper usage. If you haven't already, we encourage you to make the switch to paperless communications and provide us with your email address. To make the change, login to your Computershare investor portal, add your email address and select the communication options you would like to set to email.

You can make a standing election as to how you would like to receive certain documents including annual reports, meeting-related documents (for example notices of meeting and proxy/voting forms) and payment statements. You can also make a one-off request to receive a document in physical or electronic form through the Computershare portal. You will also be able to access Shareholder Documents such as our Annual Report, Notice of Meeting and other documents relating to shareholder meetings when they are published on our website or made available on the ASX platform.
